_____	Joe Neff	_____	_____
_____	Elaina Garabedian	_____	_____

Rules for the Election of Officers

Cut out the official ballot form; or make a photocopy. If you receive your newsletter electronically, you must print the ballot. Each member must submit a single ballot.

All votes must be on the official ballots. All ballots must be enclosed in an envelope with the member's signature, as well as printed name and address, written on the outside of the envelope. The ballot itself must have no markings on it that would indicate who completed the ballot.

To be valid, each ballot must follow these directions exactly.

The requirement of putting name, address, and signature on an envelope and not on the ballot is to identify valid voters while protecting anonymity. If you prefer, you may use two envelopes: exterior one for mailing, interior one containing the ballot, printed name, address and signature on the outside.

Ballots may be mailed to the Nominations and Elections Committee Chair and be received no later than April 30, 2019. Any member may observe the counting of the ballots on May 4, 2019 provided decorum is maintained. See calendar page of this issue for time and location.

The address for ballots is:

DVM Elections
